

Port of Bandon's 2012 WindFest
August 4th and 5th, 2012
9am to 5pm
(Application Form)

Thank you for your interest in the 2012 WindFest.

Please take a minute to give us some information about yourself and what you want to sell at the WindFest Celebration. **ONLY LOCALLY MADE AND/OR MADE IN USA PRODUCTS**, please! Come the day before between 4 and 6pm if you are available and meet Bruce on the boardwalk to scope out the area you will set up. All vendors are asked to bring an area rug or something to put underneath your area, as the boardwalk has cracks between the boards, and if you drop small objects they will go into the water below. Please do not nail or fasten anything to the boardwalk or rails. Your canopy will need to be weighted down, as we always have wind.

For those products that are sensitive to wind, or individuals with health concerns, there will be additional vendor space available inside the former Fisheries Building just to the west of the boardwalk. Please understand that those spaces will primarily be for those who need electrical or when the products offered cannot withstand the boardwalk wind. We are expanding the festival to the entire waterfront area.

On the morning of the festivals we would like to have you unload early and move your vehicle to the gravel parking lot across First Street. Vendors who do not cooperate with moving their vehicles will not be invited back.

The fee of \$15.00 payable to the Port of Bandon, P.O. Box 206, Bandon, OR 97411 is a non-refundable registration fee. Please mail your registration as soon as you can to reserve your space. Don't forget to include your mailing and e-mail address, as well as a cell phone that you will have with you on the days of the festival. Last year we had 59 vendors signed up, so we need to know well in advance how many people are interested. Thanks.
