

Addendum 6

Question 1

9/23/22

I would like to submit the following question regarding the Port of Bandon RFP Design-Build Marina Redevelopment project.

1. The Bathymetric Survey data provided in the RFP documents is illegible and not clear. Please provide bathymetric survey data that is legible and clear in order to accurately design and quantify the dredging scope.

Answer: Please see addendums 7 and 8 for clearer Bathymetric Survey Data
